### Historic Homes:

# A panel discussion on restoring and maintaining historic structures

**Monday, January 22, 2007  
6:00 - 7:45 PM**

**Montrose Library, 2465 Honolulu Ave., Montrose, CA 91020**

Curious about the process of bringing an old home back to it's original glory?

Join us for an informal panel discussion with Barbara Hannegan, owner of the historic Bonetto House featured in our first Community Home Tour last fall, Danny Miller, author of recent LA Times article, "Old? It's Gold", Steve Pallrand, owner of a contracting company that restores historic homes, and others invited but not yet confirmed.

Audience question and answer period will follow.

**Restored Bonetto House - Glendale Historic Landmark**

Any recent developments in the fight to preserve Mountain Oaks, the sale of the Rock Haven property, a potential view protection ordinance for Glendale and the upcoming Glendale City Council, Board of Education, and Community College Board elections will also be discussed. Please join us to participate in important community issues.

**This meeting is free and open to the public.**
